

Update Three- Saturday July 18, 2009

Greetings from St. Thomas More School,

Three weeks down, two to go!

I am very pleased with the camaraderie of all the students. With such a diverse age group this summer (12 years to 18 years), I could not be happier with how well all the boys are doing. I am even more pleased with the 'big brother' approach many of our older students are taking- they have set a great example for all.

Brownstone Park was a thrill. A 'top ten' weather day provided the campers an outstanding day for water fun. On Wednesday, the campers will be going to one of the largest indoor go-kart arenas in the country. Sunday, we will be going to Six Flags New England again.

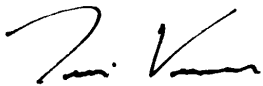

Tuesday, progress report grades came out. You should be receiving them in the mail soon if you have not already. An amazing 81% of the students are on-track to make one of our four honor rolls. Personally, I have never seen numbers that high. Those results are a testament to your son's hard work as well as the dedication of my faculty.

Like I explained in the last update, our Admissions Office has sent out acceptances and invitations for enrollment in our regular school year. Please do not hesitate to contact me if you would like to discuss the prospects and benefits of your son continuing his education at St. Thomas More in the fall.

Keep the following date in mind when planning your son's end-of-camp plans- Thursday July 30th. That night at 7:00pm, we will be holding our annual awards program. I invite you to attend this night of achievement recognition. You are more than welcome to take your son home at the conclusion of the night if you are traveling from a great distance.

All faculty members have voicemail extensions. Please do not hesitate to contact your son's teachers / advisor at any time. Likewise, my lines of communication are always open. I look forward to an outstanding next few weeks and I will be back in touch next Friday.

Sincerely,

Tim Viands, Director
