The following information is provided to help you make a more accurate reference for the candidate. Please keep this in mind as you consider this candidate as a student at St. Thomas More School.

Although we are unable to acknowledge this reference personally, we are aware of how much time references of this sort require and we thank you in advance for the help your judgments will provide. Please know that this recommendation will be treated with complete confidentiality and will not become part of the applicant's permanent record.

School Overview

St. Thomas More School is a small all male college preparatory boarding school typically enrolling students with potential who have not yet experienced consistent academic success. Through small classes, a structured program, daily extra help sessions and mandatory supervised study halls, we motivate students to achieve success.

Comments on the application: (please give specific illustrations whenever possible.)

1. Please tell us what you can about the applicant's academic ability.

2. What observations can you make about the applicant's qualities as a person i.e., special strengths or weaknesses, motivation, and concern for other? What objectives or phrases first come to mind?

3. What information can you give us regarding the applicant's strengths or weaknesses in English?

4. How long have you known the student? What classes have you taught him?
